

Re-Imagine Okanagan Falls - visit www.okfalls.ca

A growing economic hub where unrivaled opportunities await!

Okanagan Falls offers residential properties with incredible lake views, town centre properties and residential development opportunities. We offer the best of the Okanagan lifestyle for business leaders, professionals and families with excellent educational, public transportation, healthcare and family services. Our town centre revitalization plans, excellent highway access and proximity to Penticton, the regional airport and the US border is our calling card for attracting more visitors, businesses and permanent residents. Come discover our waterfront, beaches, wineries and trails.
