A Day in OK Falls

A FAMILY FRIENDLY WALKING
GUIDE

Congrats! You've already completed your 1st trip - coming to the **Visitor Information Centre (1)**! Double check all hours with us for the businesses listed.

Visit our friendly online **Little Falls Foods (16)** grocer for fresh, local, natural & organic whole food produce. They also carry dog food and hardware and offer pick-up and/or delivery. Walk-ins welcome.

KJ Coffee Bar (2) is your next stop for great morning coffee choices, fresh baked breads, breakfast buns, sandwiches, and goodies to fuel you up for the day.

The corner **ESSO (17)** station not only sells gas, water refillables, and convenience store items, but they are also a **M&M Express** franchise offering a good selection of everything you will need during your stay.

Pop into **Jardin Antiques (3)** next for some shopping, before you head towards the **KVR Trestle Bridge (4)**. Many kids like to jump off the platforms, just use caution!

Keep walking down the path, and you'll find **Christie Memorial Park (6)**, right next door! Which has one of the best dog beaches (at the very end of the path).

Across the street is **Centennial Park & Kenny McLean Bronze Statue (9)**, a great place to find some shade, relax a bit and if you're lucky, catch some local entertainment.

For bike rentals check out **Brenda's Bike Rentals (11)** located between the VIC & **OK Falls Regional Library (12)**. Find all the groceries you need for your stay at **Belich's AG Foods (13)**. Family owned, visit them near the Visitor Centre in the OK Corral.

Looking for dine-in or take-out? For pizza lovers, try **KVR Pizza & Donair (18)** or **Bullies Pizza (19)**. For Chinese food, visit the **Falls Restaurant (20)**. Try Chester's Chicken at the **Falls Market (21)**, and for fresh samosas stop into the **Heritage Market (22)**

Next, head east over to the parks. **Kenyon Park (5)** has a splash park that the kids can play and cool off in. Kenyon Beach is a relaxing place for a rest too.

Find Main Street & walk south. Keep going until you find **Tickleberries (7)**. Grab a treat and head to the **Bassett Heritage House & Museum (8)** to see some history about Okanagan Falls.

For the curious shopper, stop in at **Raven's Oddities (10)**, home of the world's largest fishing lure, and many other collectibles, home decor & more. Looking for extra activities? Rent a bike or SUP and explore Skaha Lake and area.

Stop by the **Apple Bin (14)** and **Sandy's Greek Food (15)** for a unique way to pick up seasonal fruit and homemade, fresh frozen appetizers.

Check out the local retail shops along Hwy 97 - **Falls Furniture & Cabinet Co. (23)** **Pharmasave (24)**, **Green Light (25)** and **Sticky Leaf Cannabis (26)**. Don't forget our wineries! Make sure you pick up the 'Heart of Wine Country' Winery Guide at our VIC.
